NAPSEC 2027: Connect with Leaders. Elevate Your Brand.

Dear Professional Partner,

Registration is officially open for NAPSEC's 2027 Annual Leadership Conference, taking place January 17-20, 2027, in San Diego, California.

Convening more than 200 senior leaders from across the country, the conference offers a focused audience and exceptional visibility for organizations committed to education, quality services, and meaningful outcomes for individuals with disabilities.

Sponsoring or exhibiting provides a distinctive opportunity to align your organization with a respected national association, demonstrate your support for private special education and adult services, and engage directly with executive directors, senior administrators, advocates, and other key decision-makers.

Partnership and exhibit opportunities are limited. The following prospectus outlines our 2027 partner levels and focused sponsorship options.

Please let me know if we will be seeing you in San Diego.

**All the best,
NAPSEC Conference Leadership**

Build relationships with the leaders shaping the field.

Limited partnership and exhibit opportunities are available.

More than visibility. A meaningful connection.

The NAPSEC Annual Leadership Conference is a premier national gathering for leaders in private special education and adult service programs. Each January, executive directors, senior administrators, advocates, and thought leaders come together for professional development, collaboration, policy insight, and recognition of excellence across the field.

200+

SENIOR LEADERS

A focused national audience

205

ORGANIZATIONS

Represented across 22 states

- **National exposure.** Reach influential leaders and decision-makers from across the country.
- **Mission alignment.** Demonstrate your commitment to equity, quality education, and support for individuals with disabilities.
- **Networking access.** Build relationships with school leaders, program administrators, advocates, and professional peers.
- **Brand visibility.** Receive recognition before, during, and after the conference through onsite and in-app channels.
